## University of Maine Fall Field Day October 13, 2011

**Do you enjoy learning about Maine's diverse outdoors?  
Do you want to work with others towards solving  
Maine's environmental issues? If so then Maine  
Envirothon may be a great opportunity for you!**

**Maine Envirothon** is a high school competition for high school aged students. At this competition students test their knowledge of forestry, soils and land use, aquatics, wildlife and current environmental issues.

The field day will be held on October 13, 2011 from 8:30 am to 1:00 pm at the University of Maine in Orono. This hands-on field day is for new and returning teams to gear up for the 2012 Envirothon season. Join us for this great opportunity to learn more about Envirothon and to get a head start on next spring's competition.

To register contact tish carr, Education Coordinator at [tish.carr@maineswcds.org](mailto:tish.carr@maineswcds.org) or (207) 485-0219.

Pre-registration by October 5 is required. A student roster with advisor is required.

Upon registration, a schedule of events will be mailed to you.

Maine's Soil and Water Conservation Districts are Equal Opportunity Providers and Employers.
