Fall Field Day September 29, 2011

**Do you enjoy learning about Maine's diverse outdoors?
Do you want to work with others towards solving
Maine's environmental issues? If so then Maine
Envirothon may be a great opportunity for you!**

Maine Envirothon is a high school competition for high school aged students. At this competition students test their knowledge of forestry, soils and land use, aquatics, wildlife and current environmental issues.

The field day will be held on September 29 from 9:00 am to 1:00 pm at Sebago Lake State Park in Casco. This hands-on field day is for new and returning teams to gear up for the 2012 Envirothon season. Join us for this great opportunity to learn more about Envirothon and to get a head start on next spring's competition.

To register contact tish carr @tish.carr@maineswcds.org or 207.485.0219

Pre-registration is required. A student roster with advisor is required.

Upon registration, a schedule of events will be mailed to you.

Maine's Soil and Water Conservation Districts are Equal Opportunity Providers and Employers.
